Back to School!

A NOTE FROM MARIELA

Greetings!

Can you believe it? The summer fun is nearly over, and school bells are ready to ring again!

Last month, we had a blast at our hybrid Advisory Board meeting. Two superstar participants shared their experiences at our center and I was beaming with pride.

We are excited to visit one of our community partners on a field trip to Wolf Trap for a production of "Being Bilingual Rocks!" at the Children's Theater in the Woods this month. Thank you for making this happen Wolf Trap!

CHILD DEVELOPMENT CLASSROOM

This month's theme for the child development classroom is summer fun and school readiness.

We will discuss summer activities, transitions, and routines to prepare us for the upcoming school year. We have an outdoor field trip called "Being Bilingual Rocks!" led by Mi Amigo Hamlet & Alina Celeste. It will showcase musical performances celebrating love, acceptance and diversity via Wolf Trap.

The book that we will be highlighting will be School Baby's First Library. This book shares common themes associated with attending a new school.

ADULT EDUCATION CLASSROOM

My students have demonstrated exceptional dedication across all levels, setting a commendable example for their children who have returned to school. Achieving goals is a result of persistent effort and unwavering commitment. You can support your children's academic success by leading through your actions.

Exciting news: we are introducing a new testing system at PGCC and launching a revised edition of Level 2-3-4 books.

Anticipating our upcoming session filled with fresh expectations, resources, and progress! Keep focused and maintain your hard work. I am incredibly proud of each and every one of you!
