### A MESSAGE FROM MARIELA

Greetings!

I can't believe the summer is almost coming to an end! The return back to school for our kids is right around the corner.

This past month we had a very well attended virtual Advisory Board meeting. Two of our participants shared their experiences in our center and everyone in the meeting applauded them for their successes. I was so proud of them!

We also completed an orientation with new families and are excited to welcome them into the center. Lookout for another one coming soon!

## CHILD DEVELOPMENT CLASSROOM

The theme for the Child Development classroom this month is Back to School!

We will learn about who we want to be when we grow up, what we are excited about, etc. We will also be attending a virtual field trip where we will join a classroom.

The book that we will be highlighting will be Llama Llama Back to School by Anna Dewdney. This story takes us on an adventure of going back to school. This is a wonderful opportunity to increase early emergent reading skills.

## SERVICE COORDINATION

We are continuing to focus on preparing our participants for the workforce this month!

During the Employment Readiness series, we will do a career assessment, complete a job application, practice writing resumes, and conduct mock interviews. This month, we also received adult and children summer clothes donations from **Women Giving Back**-be sure to check out our Donation Center on your next visit!

Don't miss our first library field trip to the Hyattsville Library (see calendar). FSC will also be providing a backpack to our school-age children. It's going to be fun!!

## ADULT EDUCATION CLASSROOM

My students have worked very hard at all levels. They are a great example for their children who are returning back to school.

On behalf of our FSC team, my special congratulations to Abrhat who successfully passed the U.S. citizenship exam and is actively getting ready for her next milestone! Some of our participants also received their driver's licenses recently! Goals are always fulfilled if you work hard toward them and stay committed to reaching them.

Remember, with your own example, you can help your children succeed at school!

## PARTICIPANT OF THE MONTH: JESSICA M.

Jessica M. deservedly earned her title as participant of the month! She is always prepared, engaged, and involved in her learning process. This young lady has a bright future due to her diligence, hard work, and sense of responsibility. Good job, Jessica!

As a participant in the parent sessions, she is very engaged and asks a lot of questions regarding the topic. Her communication skills are excellent and she is always willing to learn new things.

As part of our PACT activities, Jessica models the three indicators of positive and enriching parent-child interactions. Thanks, Jessica!
