A MESSAGE FROM MARIELA

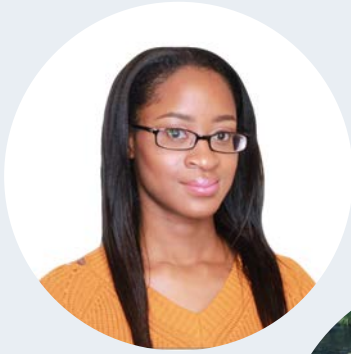

Hello!

I want to wish all fathers and father figures a Happy Father's Day! I learned so much from my father as a child- kindness and honesty were some big values he taught me. He worked very hard so that I could have a good education and I am eternally grateful to him for that.

This month we are taking 3 of our participants along with staff to the MFN Spring Conference in Ocean City, MD. Pictures and highlights to come in our July issue!

CHILD DEVELOPMENT CLASSROOM

The theme for the child development classroom this month is summer fun. We will discuss safe summer activities such as water and sand play. The book that we will be highlighting for this month is And Then Comes Summer by Tom Brenner. This fun-filled book showcases many of the fun activities that occur when school ends and summer begins!

SERVICE COORDINATION

This month we're focusing on the importance of fathers or a male figure in our children's lives. We will also continue offering Nurturing Parenting sessions in English. Please remember to register for the upcoming Fatherhood Festival!

We know that summer is here and schools are closed, and that with your older children at home it might be challenging to attend our ESL classes and other sessions we offer. We encourage you to keep at it and appreciate your dedication and hard work!

June Birthdays:

DR. SUSIE MCPHILOMY

ADULT EDUCATION CLASSROOM

I wish to acknowledge and celebrate the life partners of our participants who are not only exceptional fathers to their children, but also highly supportive of their spouses!

The way you provide and help inspires and motivates my students to learn more and grow on a daily basis!

Happy Father's Day
&

A BIG THANK YOU for all you do!

Summer Session begins July 5th

PARTICIPANT OF THE MONTH: DANELI

Daneli is a very hard-working mom who demonstrates that characteristic during our Zoom sessions, where she is hard at work and also takes her time to learn and participate in class. She makes time to attend in-person activities at the center, taking time off her work schedule to participate. She works full time and leaves the baby with a caregiver, in addition to attending her ESL classes.

We are really proud of her and we continue supporting her through this journey.

Daneli, we are extremely proud of your hard work. Keep it up!
